WORKS NEWS

It is good to see Allan Monson's friendly face around the Shire again after he recently recommenced as relief Works Supervisor while a permanent option is sourced.

Road construction on the Wialki Rd is continuing and is on schedule to be completed, including sealing by late March.

Some recent appointments have meant that our works crew is nearly back to full strength. We have recently welcomed the following new members of staff to either casual or permanent positions:

John Pitts - Plant Operator

Kylie Gibson - Leading Hand – Construction

Kerry Ferguson – Plant Operator

Marina Bauer – Road Maintenance Officer

We hope to appoint a new Beacon Town Maintenance Assistant in the near future.

The crew have started tending to jobs around the Bencubbin Recreation Grounds in preparation for the Mt Marshall Show.
