## BUSHFIRE INFORMATION

### Shire of Mt Marshall Bush Fire Act 1954 Restricted Burning Time

All burning is **Restricted** in the Shire of Mt Marshall from **Thursday 1 February 2018 to Thursday 15 March 2018**. During this time a Permit to Burn is required.

Farmers are advised that Permits will only be issued on a daily basis and are reminded that certain conditions are endorsed on the Permit.

One important condition is that **burning cannot be carried out** on the day if a **Very High, Extreme or above Fire Danger has been issued by the Bureau of Meteorology**.

Please check BOM website for further information or contact your nearest Bush Fire Control Officer.

Permits can be issued by Jack Walker at the Shire office and permit holders are also reminded to read the "Obligations of the permit holder" prior to burning.

## **BURNING OF GARDEN REFUSE AND RUBBISH**

Garden refuse and rubbish may be burnt at any time, day or night, in a properly constructed incinerator designed to prevent the escape of sparks or burning material. Garden refuse and rubbish burnt on the ground may be burnt only between the hours of 6 o'clock in the evening and 11 o'clock of the same day and must be completely extinguished no later than midnight on that day.

If you are considering burning garden refuse please ensure that you do not leave the fire unattended and have running water available.

During this period there are still **Extreme** weather conditions and care should be taken before considering any burning.

If you require any further information please contact the Shire Office or your local Bush Fire Control Officer.

Jack Walker  
Regulatory Officer
