To perform the cull you must be in possession of a firearm licence and the cull will be pending permission by the Department of Parks and Wildlife.

 If you would like to register your interest, please contact the Shire's contract Natural Resource Management Officer, Dylan Copeland on nrmo@icloud.com or 0488 471 727

CHANGE OF PURPOSE OF PLANT RESERVE

In accordance with section 6.11 (2) (a) of the Local Government Act 1995, Council resolved at its ordinary meeting, held 21 June 2016, to change the purpose of the Plant Reserve from:

“To fund the purchase of road construction plant, so as to avoid undue heavy burden in a single year”

To:

“To fund the purchase of plant which exceeds Council’s capitalisation threshold, so as to avoid undue heavy burden in a single year”

Public comments on the proposed change will be received until 29 July 2016.

DAFWA WEATHER STATION—BENCUBBIN

The Department of Agriculture and Food WA has recently installed a weather station at the Bencubbin airstrip.

The station which is now online provides up to date information every 10 minutes and can be found at:

The DAFWA weather station installed in Beacon is still in operation and can also be found via the same link.

CONGRATULATIONS—MITCHELL HAS ARRIVED

Loren Northover, our Customer Service Officer who is currently on maternity leave is the proud mum to baby Mitchell, who arrived on Sunday 19 June.

Unfortunately no one claimed the win in the office ‘arrival date stakes’ due to Mitchell taking his time, arriving 9 days after his due date.

We couldn’t be happier for Loren and dad Brendan Davis at such a joyous time.
