## HOUSE NUMBERS INSTALLATION

To assist emergency services in locating your residential property in the event of an emergency, the Shire of Mt Marshall will be distributing metal street number signs to be displayed on the front of houses in the town sites of Beacon and Bencubbin in the coming weeks.

A Shire employee will visit your property and ask if you would like them to install the number for you. If you would like to install the number yourself, please let the staff member know. If you are not home, the number will be left at your front door, however, If you are not home but still require a staff member to install the number, please contact the shire office and a suitable time for installation can be arranged.

Installation is expected to be complete by the end of May. Please contact the Shire of Mt Marshall on 9685 1202 if you have any questions.

## FAREWELL LOREN

Sadly, this week, we say farewell to Loren Northover, our bubbly Customer Service Officer who is taking 12 months maternity leave. Loren has been with us for approximately 18 months and over that time she has become a very much valued and liked member of the administration team. While we will miss her around the office we are all looking forward to the announcement of her baby boy's arrival in early June. Wishing her and partner Brendan all the very best in parent-hood.
