## HAVE YOUR SAY!

The Shire is working on its new Strategic Community Plan and has undertaken an audit of its land and building assets in the towns of Bencubbin and Beacon. The results have been published on the home page of the Shire's website ([www.mt.marshall.wa.gov.au](http://www.mt.marshall.wa.gov.au)) – but it's not enough!

While the audit shows in \$ terms what the Shire has in both towns it doesn't go far enough in showing other community investments in the towns of Bencubbin and Beacon.

This community investment could be volunteer services (e.g. fire and ambulance), school P&C's, progress associations, Silver Chain support, sporting clubs and all the other community and government initiatives that make our towns work.

That's where we need your input.

What are the other things that are done by the community? Are there things that are done by the community that should be done by the Shire? What are they? Are there other things that the Shire should be doing?

What should stay with community organisations? How much Shire assistance should go to community organisations? Has the Shire got the level of support right for our communities or does more need to be done and why?

If you have an opinion, share it with us by emailing [admin@mtmarshall.wa.gov.au](mailto:admin@mtmarshall.wa.gov.au) by Friday 3rd February 2017.

Stephen Tindale  
Acting Chief Executive Officer
