MT MARSHALL AQUATIC CENTRE UPDATE REIMBURSEMENT SCHEME

The Mt Marshall Aquatic Centre will remain closed for the 2017-18 season as the Shire continues its investigation into options for the centre's future. ABV Leisure Consultants undertook a Needs Analysis on the facility earlier this year, which included various meetings and community workshops with the community. ABV have now progressed on to the Feasibility Study which will provide clarity of the potential capital and operating costs associated with any aquatic centre development. These reports are expected to be presented in early 2018 for Council to consider.

At the October Ordinary Meeting, Council resolved that the Shire would reinstate the Aquatic reimbursement scheme that was implemented in 2016. All Mt Marshall residents will be reimbursed for entry costs into the Mukinbudin, Trayning and Koorda Aquatic Centres.

If you are a resident and enter any of these Centres, you will need to request a receipt for the cost of your entry. You must ensure the names of the people entering the pool are listed on the receipt. These receipts will then need to be presented at the Shire office and the cost will be reimbursed into your bank account.

Season passes are eligible to be reimbursed however this can only be claimed for one location. No other reimbursements can be claimed across the 2017/18 season.

Reimbursements will be processed once a month, please submit your prior to the 7th of each month for payment in the same month.

If you have any questions about the reimbursement scheme or the Mt Marshall Aquatic facility, please contact Sally at the Shire on 9685 1202.
