

**PROGRESSIVE LOCAL GOVERNMENT
EXCITING LEADERSHIP OPPORTUNITY**

Chief Executive Officer

The Shire of Mount Marshall is located deep in the heart of Australia's Golden Outback, an easy three hours' drive northeast of Perth in WA's Wheatbelt region. The Shire covers an area of 10,190 square km, and its seat of government is the town of Bencubbin. Council is now seeking to appoint a Chief Executive Officer who will champion the Shire's vision in line with its values and culture.

The incoming CEO will understand the importance of developing strong relationships with all sectors of the local communities, as well as government agencies and other key stakeholders. You will oversee the delivery of quality services and infrastructure to the Shire, and ensure the Council receives professional and timely advice on all matters relating to the Shire's operations. Of paramount importance will be your ability to identify and act upon the critical requirements of diverse rural communities.

With senior management experience in relevant service-based organisations, your sound commercial acumen, strong leadership and financial management expertise will be complemented by a strategic focus, and strong passion for, and connection to regional areas. You will be an innovative and outward facing individual who is keen to be part of the community and make a difference. As a leader and communicator, your ability to inspire, engage and influence across all stakeholders and the broader community will be critical to your success.

An attractive remuneration package in the range of \$128,226 to \$201,113 (plus \$10,000 Regional Allowance) will be negotiated with the successful candidate on a three (3) to five (5) year contract. Comfortable accommodation in the form of a recently constructed 4 x 2 family home (plus utility subsidies) is provided together with a fully maintained motor vehicle. The new CEO would be expected to commence towards the end of 2022.
