Restricted Burning Period

All burning is restricted in the Shire of Mt Marshall from Thursday 19 September 2019 to Thursday 31 October 2019. During this time a Permit to Burn is required.

Please check BOM website for further information or contact your nearest Bush Fire Control Officer.

Permit holders are also reminded to read the "Obligations of the permit holder" prior to burning.

Landowners are also reminded that Firebreaks are to be constructed by Tuesday 1 October 2019. Town site residents are reminded that this also applies to them as they are required to keep their properties free of flammable materials during this period.

Firebreak inspections will be carried out by Shire staff and the contract ranger with notices being issued to landowners if their firebreaks do not comply.
