

# Kununoppin Medical Practice Committee

## Confidential Survey

The Kununoppin Medical Practice Committee is made up of representatives from the Shires of Trayning, Mt Marshall, Mukinbudin and Nungarin. The Shires make financial and in-kind contributions to the Kununoppin Medical Practice to ensure that our communities have access to a General Practitioner within the region at an agreed level of service.

The number of people using the Kununoppin Medical Practice and associated pharmacy has declined over the past few years and this year the Shires have had to increase the cash portion of their contribution.

The Committee would appreciate residents completing the below confidential survey and returning it by **13 March 2024** so that the future of the practice can be reviewed.
