PUBLIC NOTICE

Disability Access and Inclusion Plan Review

The Shire of Mt Marshall is seeking feedback on all aspects of its Draft Disability Access and Inclusion Plan (DAIP) for 2020 -2025.

The DAIP sets out the Shire's commitment to making our community a welcoming and inclusive place for everyone to enjoy.

The aim of the DAIP is to provide a framework to improve access for all people in the community in relation to the following areas:

- Services and events
- Buildings and facilities
- Information
- Customer service
- Complaints
- Community engagement
- Employment

The Draft DAIP is available at www.mtmarshall.wa.gov.au/documents/ or a paper copy may be obtained from the Shire of Mt Marshall Administration Centre, 80 Monger Street BENCUBBIN WA 6477.

Written submissions about the proposed review of the Disability Access and Inclusion Plan may be made to the Chief Executive Officer, PO Box 20 BENCUBBIN WA 6477 or email admin@mtmarshall.wa.gov.au no later than **4:00pm, Monday 8 June 2020**.

Disability Access Inclusion Plan FAQs

Why do we have a Disability Access and Inclusion Plan?

Why is the Shire conducting public consultation on the DAIP?

What are the key elements of a DAIP?

What is the lifespan for a DAIP?

How can I get involved with improving access and inclusion in our community?

Why do we have a Disability Access and Inclusion Plan?

The Disability Services Act 1993 (amended 2004) requires all local and state government authorities develop and implement a Disability Access and Inclusion Plan (DAIP). The DAIP will assist the Shire to plan for improvements and to ensure that people with disability have equal access and inclusion across all Shire controlled buildings, facilities and services.

The DAIP aims to benefit people with disability, the elderly, young parents and access for prams as well as people from culturally and linguistically diverse backgrounds.

Local governments play a vital role in the lives of people with disability because of their broad mandate. Unlike most State Government authorities, local governments are multi-functional, with extensive responsibilities and activities across property, community and human service areas and, in addition, have the capacity to make policy choices at the local level.

Why is the Shire conducting public consultation on the DAIP?

The Shire is keen to hear from its community and to speak with those with access needs. This includes people with disability and/or carers of people with disability, as well as people and organisations working to improve access and inclusion. To achieve a DAIP that reflects the needs of our community, we are providing the following ways for you to input into the plan:

- Written feedback to the Shire
- Feedback over the phone

What are the key elements of a DAIP?

DAIPs will focus on the functions and services provided by the Shire of Mt Marshall and the needs of its residents, businesses and visitors who require access and inclusion in the delivery of our services.

The key elements of a DAIP focus on seven key outcome areas:

1. Services and events
2. Access to buildings and facilities
3. Receiving information
4. Quality of service provided by the Shire

Shire of Mt Marshall

— THE SANDALWOOD SHIRE —

5. Opportunity to provide feedback/complaints
6. Participate in consultation processes
7. Access to employment.

What is the lifespan for a DAIP?

The DAIP will identify a series of actions that can be implemented by the Shire across a five year time frame (2020 - 2025) with annual reporting on how these actions have been delivered. The plan and its progress are reported by the Shire to the Department of Communities (formally Disability Services Commission) in line with the *Disability Services Act 1993*.

How can I get involved with improving access and inclusion in our community?

You can:

- Provide written feedback
- Phone the Shire for Access & Inclusion Conversation

SURVEY ON BEACON FM RADIO (88.5FM)

The Shire would like to determine how many residents listen to this station before agreeing to take on the annual electricity costs of the service. Please see a copy of the survey in this weeks Bulletin. Once completed, return the form to the Shire as directed.

TOTAL FIRE BANS

On Friday 22 May 2020 a Total Fire Ban was imposed by DFES for much of the state, including the Shire of Mt Marshall, due to extreme weather forecast over the weekend. The Total Fire Ban was in place from midnight Friday until midnight Sunday.

During a Total Fire Ban the lighting of any fires is prohibited, this includes campfires.

Lake McDermott is not exempt and anyone caught lighting a fire during a Total Fire Ban can be prosecuted. Currently the fine for this offence is \$1,000.00 or if you are convicted \$25,000.00.

I trust that the fire lit on Saturday at Lake McDermott was by persons other than locals.

It is unusual for a Total Fire Ban to be imposed in May, but if you wish to be kept informed of these bans, please contact the office and have your mobile number included on the Harvest Ban SMS service.
