CORELLA CONTROL IN BENCUBBIN

A controlled cull of Corellas will be taking place at the Bencubbin Oval and Multipurpose Complex this weekend, 20 — 21 March. Please avoid the area throughout Sunday 21st and don't be alarmed if you hear gun shots from early morning onwards. A reminder that the gym is closed on Sunday and we ask that you refrain from exercising your dogs on the oval throughout Sunday.

RESTRICTED BURNING PERIOD CLOSES

Please be advised that the restricted burning period has now closed in Mt Marshall and a permit to burn is no longer required. The non restricted burning period runs until 18 September 2021.

Please continue to take care when carrying out any burning.

WASTE FACILITIES

When using the Shire's waste facilities we remind you to please adhere to the signage in place and dispose of your waste in the correct area.

When signage at our facilities is not adhered to, time consuming work is created for Shire staff, which can be easily avoided by disposing of your waste correctly and in line with the clearly marked areas.

Thank you for your cooperation.
