PARKS AND GARDENS OFFICER VACANCY

The Shire of Mt Marshall is seeking a competent and enthusiastic Parks and Gardens Officer to provide attentive care for our numerous parks and gardens, recreation centres, fully grassed reticulated oval, caravan parks, and botanic gardens.

The job is based in Bencubbin and involves a diverse range of duties and will be ideal for you if you like variety in your work and are self motivated.

A 'C' class driver's license is a minimum requirement for the position and remuneration is in accordance with Level 4 — 5 of the Local Government Industry Award 2010, dependant on experience.

Subsidised Shire housing may be provided and negotiated with the preferred applicant.

Please contact Nadine Richmond on 08 9685 1202 or admin@mtmarshall.wa.gov.au for a copy of the position description and information package.

Applications addressed to the Chief Executive Officer are now open, should be marked Private and Confidential and can be emailed to admin@mtmarshall.wa.gov.au, delivered to our office or arrive by post.

WELBUNGIN FIRE SHED PROJECT

The Department of Fire and Emergency Services has recommended that the Welbungin Fire Shed is upgraded to a 2 bay facility with amenities, changerooms, decontamination areas and an operational area. The Welbungin Bushfire Brigade was approved for a new 4.4 broadacre crew cab in 2017/2018 and the vehicle is due to arrive this year unless there are delays. This new fire appliance will not fit in the current shed, meaning, without the upgrade the vehicle will need to be housed elsewhere. The shed is currently a 1 bay shed with two fire appliances inside it and upgrading this shed to a 2 bay facility will allow the new 4.4 broadacre crew cab to fit inside and give enough room for volunteers to move freely between the two fire appliances in the shed.

The new facility will be located on the site of the existing fire shed. It will have appropriate ventilation to prevent any build up of fumes and natural lighting allowing volunteers to see as soon as they get into the shed under time pressures. The new facility will also give volunteers an area for meetings, training, debriefing and storing their PPE.

This project is still subject to the Department of Fire and Emergency Services Local Government Grants Scheme and is yet to be approved.
