EXPRESSIONS OF INTEREST - FACILITIES AND SERVICES COMMITTEE

During the course of the preparation and consultation for the Strategic Community Plan and the Corporate Business Plan it was determined that it would be appropriate to arrange a Facilities and Services committee for the Shire. It was further determined that in the first instance this group should be formed with members of the Beacon community with a view that future iterations would be Shire wide. Members of the Committee will preferably be able to commit to attending committee meetings, have a keen interest in seeing potential facilities and services improved in Beacon and have a view towards possible long term projects.

If you are interested in being a member of this committee please register your written interest via post or email to CEO, John Nuttall. Appointment to the committee will be made by Council at their September ordinary meeting.
