UNCONTROLLED DOGS

We once again feel the need to remind everyone that your dogs are to be under control or contained in your backyard **at all times**. Unless exercising your dog in the specified area at the Bencubbin or Beacon Recreation Grounds your dog needs to be leashed at all times when in public, including walking trails.

This is not only a courtesy to other community members and fellow dog owners you may come across but this ensures the safety of your four legged friend. Dogs found to be wandering at large or being walked by their owner without being leashed are being referred to the Shire's Contract Ranger and owners can expect a visit from them.
