RECOMMENDATION:

That the Minutes of the Meeting held on Wednesday 15 February 2023 be confirmed as a true and correct record of proceedings.

4.0 Reports of Officers

4.1 Coordinator of Community Development

Project Updates:

- Beacon Caravan Park
Power and water upgrades are almost complete with Western Power scheduled to make the final switch over to the new infrastructure this week. It will be great to have the additional powered sites at the park for the upcoming tourist season. Site preparations have all been completed for the camp kitchen and new cabin and we are just waiting for the delivery of the new facilities which are scheduled for June at this stage.
- Beacon Community Park
All the limestone works have been completed, we hope to see the rest of the park come together pretty quickly over the next 6-8 weeks.
- Beacon Recreation Centre
The new roof will be going on over the next few weeks. This will hopefully eliminate the many water leaks and damaged ceilings throughout the building. The new timers dug out is also under construction and we hope the volunteers will be able to enjoy this new space for the second half of the winter sports season. The window in the disabled toilet will also be done whilst the roof is being repaired.
The pavers are scheduled to be laid in the second week of June between the Beacon Complex and the Tennis Clubhouse. We are looking forward to these finally being installed. A new place for the tank will also be built so that the Beacon Tennis Club can install their new tank.
- Paving at War Memorial
This is being carried over to next financial year.
- Lucas Street Footpath

**Agenda for the Facilities and Services Committee Meeting to be held on
Tuesday 30 May 2023**

This work will be completed in mid-July. A contractor has been secured.

- Beacon Hall
Works for the Beacon Hall – extending the fence for the daycare and screening the generator and air conditioners will be being carried over until next year. There was a mix up with the repair of the theatre arts room ceiling damaged by water. Funds were not budgeted for this work, however this should be rectified in the 2023/2024 budget and repairs be completed early next financial year.

New Projects:

- Community Garden
- Location of Banner Poles
- Beacon Netball Court

5.0 General Business

6.0 Next Meeting – to be advised

7.0 Meeting Closure
