HAVE YOU CHECKED OUT CRISP WIRELESS INTERNET SERVICE YET?

Crisp Wireless, a Western Australian business has installed telecommunications infrastructure across six local governments including Mt Marshall so that residents and businesses have access to internet that is faster than the NBN.

Their internet service is fast enough to stream movies across multiple devices at the same time, access education and use VOIP for phone calls.

Our Shire has signed up and is now using a Crisp Wireless plan. Crisp Wireless is a superior service that uses the NBN optic fibre in Merredin and a point to point service in our Shire.

We encourage you to check out the service at their website www.crispwireless.com.au and have a look at a plan that best suits your home or business needs.

MEDIA RELEASE

Community Sporting and Recreation Facilities Fund Outcome of Application for Funding Mt Marshall Aquatic Centre

Mt Marshall have been successful in their application to the Department of Local Government, Sport and Cultural Industries for the 2019/2020 Community Sporting and Recreation Facilities Fund (CSRFF) to enable the Shire to upgrade the current aquatic facility to a 25m pool including plant upgrade.

A total of \$488,642 has been awarded through the CSRFF to be added to Shire funds for delivery of this project.

Shire President, Cr Tony Sachse said:

'We are extremely pleased and grateful that the State Government was able to provide such significant funding to the Shire to assist with the upgrade of the current aquatic facility. The current facility has been closed for some time, and Council is mindful that an upgraded aquatic facility will provide a place of recreation and sport for the community.'

He went on further to say:

'Whilst it is accepted that an aquatic facility is important for leisure, sporting and life skills training, the proposed upgrade will be undertaken in such a way that the redevelopment and running costs will be kept to a minimum so as to reduce the financial burden of upgrading and running such a facility upon the current and future community.'

The grant award was revealed by correspondence from the Hon Mick Murray MLA, Minister for Sport and Recreation who commented that 'The State Government is committed to enhancing the lifestyle of all Western Australians through their participation and achievement in sport and recreation. CSRFF makes a significant contribution to the achievement of this objective.'

For any further information please contact the Shire of Mt Marshall Chief Executive Officer on 96851202 during office hours.
