## EXPRESSIONS OF INTEREST SOUGHT - BUSH FIRE TRAINING

On Friday 8 February, 2019 several members of the Welbungin Bush Fire Brigade attended an information session with DFES staff from Northam. During the session Brigade members successfully logged on to the DFES Volunteer Extranet training portal which allowed them to complete a computer based AIMMS Awareness course (20 minutes) and apply for some face to face training.

It has been identified that further Bush Fire training is required and therefore a 1 day Introduction to Fire Fighting has been arranged for Friday 8 March 2019, commencing at 8.00am. The course will be held at the Bencubbin Multipurpose Complex and should be completed by 4.00pm. Catering will be provided.

If you are interested in attending the training it is important that I receive your expression of interest two weeks prior to the event. It is also important that you are a registered member of your Bush Fire Brigade and have a volunteer number. This will enable you to be registered on the volunteer portal.

Please call me on 0429 851318 or email [ro@mtmarshall.wa.gov.au](mailto:ro@mtmarshall.wa.gov.au) if you are interested in attending this training.

Fire fighting is an important part of living in a rural community and it is important that we all have the necessary skills to ensure we can protect ourselves, our families and friends in the event of a fire.

Jack Walker – Bush Fire Control Officer

### **Shire of Mt Marshall Bush Fire Act 1954 Restricted Burning Time**

All burning is **Restricted** in the Shire of Mt Marshall from **Friday 1 February 2019 to Friday 15 March 2019**. During this time a Permit to Burn is required.

Farmers are advised that Permits will only be issued on a daily basis and are reminded that certain conditions are endorsed on the Permit.

One important condition is that **burning cannot be carried out** on the day if a **Very High, Extreme or above Fire Danger has been issued by the Bureau of Meteorology**.

Please check BOM website for further information or contact your nearest Bush Fire Control Officer.

Permits can be issued by Jack Walker at the Shire office and permit holders are also reminded to read the "Obligations of the permit holder" prior to burning.

### **BURNING OF GARDEN REFUSE AND RUBBISH**

Garden refuse and rubbish may be burnt at any time, day or night, in a properly constructed incinerator designed to prevent the escape of sparks or burning material. Garden refuse and rubbish burnt on the ground may be burnt only between the hours of 6 o'clock in the evening and 11 o'clock of the same day and must be completely extinguished no later than midnight on that day.

If you are considering burning garden refuse please ensure that you do not leave the fire unattended and have running water available.

During this period there are still **Extreme** weather conditions and care should be taken before considering any burning.

If you require any further information please contact the Shire Office or your local Bush Fire Control Officer.
