Background:

As part of the Mt Marshall annual budget for 2018/2019, Council continued the Economic Development Fund (EDF). The fund is open twice annually for Community Groups and Businesses to make applications for funding of projects which benefit the community. The first round of applications received no applications. A second round of the fund was opened in the New Year and five (5) applications were received and a Council appointed committee met on Monday 11 March to assess the applications. This item presents the applications, and the committee recommendation relating to each application. Also presented with this report are the minutes from the committee meeting.

As the applications contain both financial and sensitive business information it is not appropriate that they are presented as attachments to this item as they would then be open for public inspection. However Councillors are able to view any and all of the documents in advance of the Council meeting.

Consultation:

Nil

Statutory Environment:

Nil

Relevant Plans and Policy:

Council adopted Policy CS3.2 (copy attached) relating to this funding.

Financial Implications:

This year Council allowed \$65,000 to the fund, to be awarded over two rounds.

Agenda for the Ordinary Meeting of Council on Wednesday 20 March 2019

Risk Assessment:

There is a risk that if this funding were not available Council would be requested to fund projects without the necessary scrutiny and need for formal application, assessment and acquittal.

Community & Strategic Objectives:

Outcome 2.1 Actively support and develop local and new business

2.1.6 Support opportunities for all businesses

Outcome 4.1 Collaborative and transparent leadership

4.1.3 Engage the community in decision making and shared responsibility in achieving our goals

Outcome 4.3 A local government that is highly respected, professional, trustworthy and accountable

4.3.5 Use resources efficiently and effectively

4.3.6 Operate in a financially sustainable manner

Comment:

The Economic Development Fund Committee met on 11 March 2019 and discussed all five applications at length. The minutes of the meeting are at **attachment 11.2.1**. It is important to note that it will be a requirement for all grant money recipients to properly acquit the grant funding, and an amount less than awarded may be provided subject to the provision of receipts.

Listed below is information relating to each application, reasons for the committee recommendation and the recommended amount to be awarded:

1. Beacon Progress Association

The application was for \$3785 to allow the Progress Association to create a walking historical trail, including the erecting of plaques and illuminated trees. The committee felt that this was an excellent community project, particularly focussed towards the economic development target of improved and increased tourism. It was commented that the trail in Bencubbin was well used, and this trail would hopefully provide further reason for tourists to stay longer within the town. The committee recommends that Council award \$3785 for the project.

2. Beacon Primary School P & C

This application was for \$7,000 to assist in the required upgrade and improvement to the school junior playground. That playground does not currently meet National Quality Standards. The proposed new playground would be primarily nature based. The request also depends upon funding being awarded from other applications (such as CBH). The committee agreed that this was a necessary and important community project, providing appropriate learning space for local children and also a safety compliant play area. The committee recommends that Council award \$7,000 for the project, subject to the successful application for matched funding. Should that funding not be awarded this financial year the application should be lodged again to a future round of the fund.

Agenda for the Ordinary Meeting of Council on Wednesday 20 March 2019

3. Beacon Community Resource Centre

This application was for \$2143.30 to allow the CRC to purchase more outdoor furniture. This furniture, along with their current stock will then be available for outdoor events across the community. The current stock has already been well utilised, and there is a need for more. The committee agreed that it would provide a good opportunity and service not currently available for groups across the Shire to be able to hire outdoor furniture for events that they would not otherwise have the chance to have access to. It would further assist the CRC to be self-sustaining as funding is required where possible to keep this vital community resource running. The committee recommends that Council award \$2143.30 for this project.

4. Beacon Playgroup

This application was for \$376 to allow the playgroup to purchase outdoor based activities. The group were not able to immediately provide audited financial documents as required by the grant. These items will enhance children's motor skills and further enhance the positive learning environment. They will also be able to be used by those attending the Little Bees facility. It was acknowledged that the playgroup provides an important facility for children and parents and for a relatively small contribution this great community work can be enhanced. The committee recommends that Council award \$376 subject to the receipt of audited financial documents.

5. Beacon Cooperative

This application for \$2539.30 was a request to assist with the purchase of additional freezer and refrigeration which has become available second hand. These purchases will reduce stock loss, allow for timely stock transfer and ultimately make a community owned facility more viable. As the shop is community run, has current wastage issues with tight margins and was subject to Shire funding to build the facility it was recognised as a vital community facility. Whilst it was re-iterated by the committee that the purchasing of machinery and equipment for private business should remain outside the scope of the Economic Development Fund, as the cooperative is a community facility with the community being shareholders, it was appropriate to recommend that Council award this relatively low amount to this project. The committee recommends that Council award \$2539.30 for this project.

Should Council award all of the money recommended by the committee it would total \$15,843.60

OFFICER'S RECOMMENDATION:

That Council:

- 1. Receive the minutes from the Economic Development Committee of 11 March 2019 which are at attachment 11.2.1;***
- 2. Endorse the recommendations (as detailed above) of the Economic Development Committee by making the following awards, which are subject to any requirements listed:***

- Beacon Progress Association \$3785.00***
- Beacon Primary School P & C \$7000.00 (subject to successful application for matched funding)***
- Beacon CRC \$2143.30***
- Beacon Playgroup \$376.00 (subject to the provision of audited financial documents)***
- Beacon Cooperative \$2539.30***

Background:

The Local Government (Audit) Regulations 1996 require that the Shire carry out a Compliance Audit Return (CAR) for the period 1 January to 31 December each year, and after carrying out the Audit prepare a compliance audit return in a form approved by the Minister.

The Audit Committee is required to review the annual CAR and report to the Council the results of that review prior to adoption of the CAR by Council. The Audit committee will meet on 20 March 2019 prior to the Ordinary Meeting of Council and review the 2018 CAR.

The CAR is then to be presented to Council for adoption and recorded in the minutes of the meeting at which it is adopted.

The return, once adopted by Council is to be certified by the Shire President and the Chief Executive Officer and forwarded to the Director General of the Department of Local Government and Regional Development.

Comment:

The compliance audit is comprehensive and gives the Council an indication of the Shire's level of compliance with legislative requirements. The audit has been completed by the Chief Executive Officer and the Finance and Administration Manager.

OFFICER'S RECOMMENDATION:

That the Compliance Audit Return (as attached) for the period from 1 January 2018 to 31 December 2018 be adopted and recorded in the minutes as required by the Local Government (Audit) Regulations 1996.

Background:

Correspondence by way of email has been received from Mr Jenna Hope in his capacity as President of Bencubbin Sports Club. This email requests Council to waive a fee imposed upon the club for the hire of the portable toilets in November 2018. The email (**attachment 12.1.7**) indicates that the organisation is struggling financially and used the toilets to be able to remain open for a weekend instead of closing.

Consultation:

No further information has been received apart from the email which is attached.

Statutory Environment:

Local Government Act 1995

6.12. Power to defer, grant discounts, waive or write off debts

(1) Subject to subsection (2) and any other written law, a local government may —

(a) when adopting the annual budget, grant a discount or other incentive for the early payment of any amount of money; or*

(b) waive or grant concessions in relation to any amount of money; or

(c) write off any amount of money,

which is owed to the local government.

** Absolute majority required.*

(2) Subsection (1)(a) and (b) do not apply to an amount of money owing in respect of rates and service charges.

Relevant Plans and Policy:

Nil

Agenda for the Ordinary Meeting of Council on Wednesday 20 March 2019

Financial Implications:

Should Council agree to the request to waive the fee imposed upon the Bencubbin Sports Club Council will be writing off the invoice levied in the sum of \$145.

Risk Assessment:

There is a risk that should Council agree to this request that other businesses and community organisations could make a similar request in the future referencing this decision.

Community & Strategic Objectives:

Outcome 4.3 A local government that is highly respected, professional, trustworthy and accountable

4.3.5 Use resources efficiently and effectively

4.3.6 Operate in a financially sustainable manner

Comment:

Whilst acknowledging the financial struggle of small community organisations, and appreciating what they offer to the community it is hard to recommend to Council that this request is granted. When a booking is made there must be an understanding that there is a charge (which are clearly set out in the fees and charges) and prior authority to waive such a charge should be sought. Further it would then be difficult to refuse similar requests from other community groups, which could then lead to Shire equipment being used without charge on a regular basis.

Whilst it is not recommended that this charge be waived it may well be appropriate for Council to look closely at all fees and charges when the new budget is being prepared to determine that those fees and charges are within acceptable limits.

OFFICER'S RECOMMENDATION:

That Council refuse the application from Bencubbin Sports Club to waive the fee for the hire of portable toilets in November 2018.

12.1.8 Request for Rates Waiver – Mr K Jose

File No:	F2/1
Location/Address:	83 Monger St, Bencubbin

Name of Owner:	N/A
Author:	John Nuttall – Chief Executive Officer
Attachments:	12.1.8 – Letter from Mr Keith Jose

Previously Considered:	Nil

Background:

Correspondence by way of letter has been received from Mr Keith Jose regarding the rates, and specifically the Specified Area Rate attached to his rates notice. This letter requests Council waive the portion of his rates relating to the Specified Area Rate, on the basis that Mr Jose will never use the Bencubbin Multi-purpose Complex.

Consultation:

No further information has been received apart from the letter which is attached (**attachment 12.1.8**).

Statutory Environment:

Relevant Plans and Policy:

Nil

Financial Implications:

Should Council agree to the request to waive the Specified Area Rate, the reduction would be in the sum of \$28.45.

Risk Assessment:

There is a risk that should Council agree to this request that other rate payers could make a similar request in the future referencing this decision. Further, it would also be

Agenda for the Ordinary Meeting of Council on Wednesday 20 March 2019

contrary to section 6.12(2) of the Local Government Act 1995 which precludes Council from waiving any amount of money relating to rates.

Community & Strategic Objectives:

Outcome 4.3 A local government that is highly respected, professional, trustworthy and accountable

4.3.5 Use resources efficiently and effectively

4.3.6 Operate in a financially sustainable manner

Comment:

It is the view of the author that legislation does not provide Council with the authority to waive all or part of a rates debt. That being the case it is respectfully suggested that this application should be refused on that basis.

However it is also proper to comment that even if Council had the ability to waive the debt it would not have been recommended that Council should do so. The amount in question, set as a specified area rate is imposed to facilitate a community facility. In the view of the author such a rate does not depend upon usage by the individual rate payer, but upon the provision of such a facility for the community to use.

OFFICER'S RECOMMENDATION:

That Council, subject to the Local Government Act 1995 section 6.12(2), refuse the application to waive a portion of the rates debt of Mr Keith Jose.

12.1.9 Lease of Industrial Shed – Monger Street, Bencubbin

File No:	B2/19
Location/Address:	Industrial Shed, Monger St, Bencubbin
Name of Applicant:	Mr Ian Sanders, ICS Carpentry
Name of Owner:	Shire of Mt Marshall
Author:	John Nuttall – Chief Executive Officer
Attachments:	12.1.9a – Email from Mr I Sanders
	12.1.9b – Recent Commercial Lease Valuation of Bencubbin Town Hall
Declaration of Interest:	Nil
Voting Requirements:	Simple Majority
Previously Considered:	Nil

Background:

The current lease between the Shire of Mt Marshall and Mr Michael Lanoue for the use of the Industrial Shed situated on Monger Street, Bencubbin has expired. Council must consider the provision of a new lease for the building if they feel that is appropriate.

Currently a total payment to the Shire of \$120 is paid weekly.

Correspondence has been received from Mr Ian Sanders of ICS Carpentry (**attachment 12.1.9a**) requesting that Council consider a five (5) year lease to his company with a rental of \$150 per week offered.

Council are invited in this report to consider the offer made by Mr Sanders.

Consultation:

There have been discussions between Mr Ian Sanders and the Chief Executive Officer regarding the expiration of the current lease.

Statutory Environment:

Local Government Act 1995

3.58. Disposing of property

(1) In this section —

dispose includes to sell, lease, or otherwise dispose of, whether absolutely or not;

property includes the whole or any part of the interest of a local government in property, but does not include money.

(2) Except as stated in this section, a local government can only dispose of property to

—
(a) the highest bidder at public auction; or

(b) the person who at public tender called by the local government makes what is, in the opinion of the local government, the most acceptable tender, whether or not it is the highest tender.

Agenda for the Ordinary Meeting of Council on Wednesday 20 March 2019

(3) A local government can dispose of property other than under subsection (2) if, before agreeing to dispose of the property —

(a) it gives local public notice of the proposed disposition —

(i) describing the property concerned; and

(ii) giving details of the proposed disposition; and

(iii) inviting submissions to be made to the local government before a date to be specified in the notice, being a date not less than 2 weeks after the notice is first given;

and

(b) it considers any submissions made to it before the date specified in the notice and, if its decision is made by the council or a committee, the decision and the reasons for it are recorded in the minutes of the meeting at which the decision was made.

(4) The details of a proposed disposition that are required by subsection (3)(a)(ii) include —

(a) the names of all other parties concerned; and

(b) the consideration to be received by the local government for the disposition; and

(c) the market value of the disposition —

(i) as ascertained by a valuation carried out not more than 6 months before the proposed disposition; or

(ii) as declared by a resolution of the local government on the basis of a valuation carried out more than 6 months before the proposed disposition that the local government believes to be a true indication of the value at the time of the proposed disposition.

Relevant Plans and Policy:

Nil

Financial Implications:

The Local Government Act 1995 section 3.58 (4) requires that a valuation of property is carried out prior to a final decision being made regarding disposition of property. Given the cost to the Shire of such a valuation, there is an opportunity for Council to utilise the information provided by the valuers in the recently valued Bencubbin Town Hall. Given how recent that valuation was undertaken, and that it provides a guide for current market rental it would be available for Council to use. A copy of this valuation document is provided at **attachment 12.1.9b**. On the basis of that document the current market rental rate is in the region of \$20 per sq/m. Given that the shed is 450 sq/m this would indicate that the market rental should be in the region of \$170 per week.

Risk Assessment:

There is a risk that the shed will be unoccupied and no rental received should Council not approve a new lease.

Community & Strategic Objectives:

Outcome 2.1 Actively support and develop local and new business

2.1.6 Support opportunities for all businesses

Outcome 4.3 A local government that is highly respected, professional, trustworthy and accountable

4.3.4 Ensure that facilities are being maintained, developed/rationalised in line with the Asset Management Plan and Long Term Financial Plan

4.3.5 Use resources efficiently and effectively

Agenda for the Ordinary Meeting of Council on Wednesday 20 March 2019

4.3.6 Operate in a financially sustainable manner

Comment:

Council is aware, having dealt with the disposal of property several times recently that in a case such as this where an offer is made, if Council feel the offer is acceptable it must be opened for public comment before such an offer can be accepted. Given that the amount offered is more than currently being paid, that the current lease has expired and that the current tenant would be content with the proposed arrangements it would seem appropriate that the offer be accepted in principle and then public comment be invited.

OFFICER'S RECOMMENDATION:

That Council:

- 1. Subject to Local Government Act 1995 section 3.58(3) determine to dispose, by way of lease, of the Shire owned Industrial Shed at Monger Street, Bencubbin;***
- 2. Subject to Local Government Act 1995 section 3.58(3) direct the Chief Executive Officer to give local public notice that it is the intention of the Shire to dispose of the Industrial Shed, Monger Street, Bencubbin by way of a five (5) year lease to Mr Ian Sanders on behalf of ICS Carpentry Ltd with a rent of \$150 per week; and***
- 3. Direct the Chief Executive Officer to present any public comments along with a final recommendation relating to the disposal of the Industrial Shed, Monger Street Bencubbin, to the April Ordinary Meeting of Council.***

12.1.10 Licence To Occupy L5283 Beacon

File No:	Agreements
Location/Address:	Lindsay Street Railway Reserve, Beacon
Name of Applicant:	Nil
Name of Owner:	Perth Transport Authority
Author:	John Nuttall – Chief Executive Officer
Attachments:	12.1.10a – Current Licence to Occupy L5283 Beacon 12.1.10b – Email from Perth Transport Authority
Declaration of Interest:	Nil
Voting Requirements:	Simple Majority
Previously Considered:	Nil

Background:

The Shire of Mt Marshall is the current licensee of L5283, a strip of land adjoining the railway reserve along Lindsay Street, Beacon. The Shire has been the licensee since 2009 when the current contract for the grant of a licence to occupy land was signed. The permitted use under the licence is Parking – Beautification. It is the understanding of the author of this report that this land was particularly required when the general store was located in Lindsay Street, and was used for parking and part of the area had gardens built upon it. It is unclear what, if any, reason there may be for retaining this licence now that the general store has relocated.

By email of 19 October 2018 Burgess Rawson (acting for PTA) indicated that the current licence is due to expire 31 March 2019. As the PTA have an extensive internal process to grant approval for a lease, they enquired if the Shire wishes to express an interest in a new licence to occupy the area. A copy of the current licence with a plan showing the area in question is attached (**attachment 12.1.10a**).

In November 2018 in response to the above correspondence Council resolved as follows:

2018/10-010 OFFICER RECOMMENDATION / COUNCIL DECISION:

That Council direct the Chief Executive Officer to respond to the Perth Transport Authority indicating that the Shire wishes to lodge an expression of interest in a new licence to occupy L5283, Beacon.

Moved Cr SE Faulkner

Seconded Cr SR Putt

Carried 7/0

As a result of that Council resolution the Perth Transport Authority have responded offering a further licence based upon terms contained within the body of the email received (a copy of which is at **attachment 12.1.10b**).

Consultation:

Nil

Statutory Environment:

Nil

Relevant Plans and Policy:

Nil

Financial Implications:

Whilst a new licence would only be subject to \$1 per year on demand rent, the cost of preparation of the licence is estimated to be in the region of \$350.

Risk Assessment:

Should the Shire not take on this licence there has been no indication provided by the PTA what they would intend to do with the land.

Community & Strategic Objectives:

Outcome 4.3 A local government that is highly respected, professional, trustworthy and accountable

4.3.4 Ensure that facilities are being maintained, developed/rationalised in line with the Asset Management Plan and Long Term Financial Plan

4.3.5 Use resources efficiently and effectively

Comment:

Although the Shire does not have any current plan for the land, for minimal cost (\$350 licence preparation fee) the Shire would at least retain management of the land for the foreseeable future. This would then allow appropriate planning regarding what to do with the land to be undertaken.

OFFICER'S RECOMMENDATION:

That Council direct the Chief Executive Officer to confirm to the Perth Transport Authority that the Shire of Mt Marshall wishes to enter a new 10 year Licence to Occupy the area between the railway line and Lindsay Street, Beacon.
