TAMPU TO GET A TELSTRA MOBILE COMMUNICATIONS TOWER

Outcomes of the Mobile Black Spot Round 4 funding have been announced and Tampu has been included on the list of locations to get a Telstra Base Station. This will greatly improve mobile communications in a remote area of the Shire and we will keep you updated regarding it's installation as more information comes to hand.

SHOPPING TRIP TO BEACON CO-OP

Expressions of interest are now sought from the Bencubbin community to use a community bus service to the Beacon Co-operative on **Thursday 4 April 2019.**

The purpose of this service is to provide access to a local shopping precinct while the Bencubbin shopping facility is not operational. The bus would depart Bencubbin around 9am and will return not too long after 12pm.

This is a free service provided by the Shire of Mt Marshall and if you would like further details or to register your spot on the bus, please call Meg at the Shire on 9685 1202.
