The Beacon Progress Association has requested the Beacon Railway Barracks be placed on the Shire's Municipal Heritage Inventory. A local government's inventory identifies local heritage assets in a systematic fashion and provides base information needed for local heritage planning. Local Governments use their inventories to identify the places and areas that, in the opinion of the local government, are of cultural heritage significance for the local government district.

The Shire is seeking public comment regarding the Beacon Barracks inclusion on the Shire's inventory and invite written submissions from the community. Do you feel strongly about the Beacon Railway Barracks being recognised as having heritage significance? Your written comments are to be received by Friday, 5 July for inclusion in July Council Meeting Papers. Council will consider community feedback when making their decision.

Comments can be received by email to admin@mtmarshall.wa.gov.au, post to PO Box 20, Bencubbin WA 6477 or hand delivered to the Shire office.
