DOG EXERCISE AREA—BENCUBBIN

Members of the community who have been using the Bencubbin oval to exercise their dogs have reported dog excrement being left behind by other dog users. You are required to pick up after your dog when using the Shire's exercise areas and all other public areas. The Shire endeavors to provide pick up bags at the ovals, however, if there are none available it is still your duty to arrange the removal of any of your dog's excrement. We appreciate your co-operation in this matter.

WATER SPORTS NOW AVAILABLE

After the welcome rain received across the Shire last week it has been lovely to see people enjoying sports of a different kind in Mt Marshall. Many families were spotted over the weekend on Lake McDermott with boats, kayaks and plenty of smiles while the lake is seeing levels not experienced since 1999. We hope you all get a chance to get out and about for some rare water based fun while the weather is still favourable.

CEO VISIT TO BEACON

CEO, John Nuttall's next visit to Beacon to meet with community members is scheduled for Monday, 9 March 2020. John will be available at Beacon Central from 2.00pm. Appointments are not necessary, simply drop in and John will see people on a first come, first served basis.
