MT MARSHALL TRIATHLON

The word around the Shire is that people have got their triathlon training well underway. It's not far away now so please ensure your nomination forms are in to Sally Morgan at the Shire ASAP.

A reminder that **RESTRICTED BURNING** is still in place until Sunday 16 March 2015. During this time a 'Permit to Burn' is required, contact any of your Bush Fire Control Officers or Jack Walker at the Shire to obtain yours. This would be a good time to remind everyone of our new **Harvest and Fire Info line - 08 9487 0671** - remember to take care and prevent bushfires.

Meet Environmental Health Officer **MR BILL HARDY.**

Bill replaces long term EHO Julian Goldacre who has moved on to the Corrigin area. Bill will attend our offices every Tuesday and can be contacted for anything health related. Things you may not realise he deals with are mosquitos, public building fire safety requirements and tobacco retail outlet licencing.

Bill is also the Shire's contact for all your town planning and building queries.

Shire of Mt Marshall

Remembering Them is a project taking place across Western Australia to commemorate the First World War. The **Mt Marshall History Working Group** have been working with 31 other Shires and Museums on the Museum WA project.

The exhibitions look at the social impact and human cost of the war and its effects of rural Western Australia. The Remembering Them – Mt Marshall exhibition will be launched at the Mt Marshall Show on the 14th March at the Bencubbin Recreation Complex. It will begin at 2pm from inside the Complex.

The **SEALING** has commenced this week at the Mt Marshall Pool carpark, Collins St, Bencubbin and the new parent drop-off section at the Bencubbin

Primary School. As with all road works please drive with caution and obey speed limits.

MINUTES OF COUNCIL'S ORDINARY MEETINGS can provide a lot of information to the community when wanting to know what decisions have been made by Council and can even clarify why. All minutes are available within 10 days of the Council meetings and are available either on our website, via hard copy at the Shire office or you can add your name to the Minutes Subscribers list by contacting Nadine Richmond on 9685 1202 or ea@mtmarshall.wa.gov.au and you will receive them via email.

DEPARTMENT OF TRANSPORT VEHICLE INSPECTIONS will no longer be carried out at the Shire. After a review of the latest Inspection Station Audit Report the requirements of the Department of Transport were deemed too prohibitive to the Shire's day to day running of the Shire Depot and works program. Currently the nearest inspection facility is in Mukinbudin at Geraghty's Engineering.
